ABOUT US

We are an excellent, integrated school, which upholds National Standards and also represents an international view.

Syafana Islamic School was established in 2005 in Gading Serpong Tangerang. Graduates from this school are expected to be genuine mu'min and dynamic Muslims so that they can be the future leaders, who possess high academic qualifications, are able to compete globally and admitted into National higher education and International institutions

Vision

"To be the Islamic school reference in Indonesia as a foundation in the developing of a civilised generation"

Mission

- To produce Muslims who have strong faith (aqidah), broader knowledge, noble character, high skill and creativity, independence, high achievement and strong leadership.
- To make Syafana Islamic School a reliable educational institution.
- To introduce and or set up Syafana Islamic Schools throughout Indonesia.

INTERNATIONAL CURRICULUM

(Checkpoint, IGCSE, AS and A Level) (Physics, Chemistry, Biology, English and Mathematics)
